

LMS Administrator Quick Start Guide OLP Integration with Blackboard

# QUICK START GUIDE

National Geographic's Online Practice LMS Integration is designed to help you seamlessly integrate our digital resources within your institution's Blackboard Learning Management System. This is a simple process that you should be able to complete using the steps outlined in this document. This Quick Start guide provides basic steps for setting up your LMS environment.

## **CONFIGURE LTI TOOL**

- 1. Go to the Administrator Tools section of Blackboard and select *LTI Tool Providers*.
- 2. Click on Register LTI 1.1 Tool Provider
  - a. Provider Domain: learn.eltngl.com
  - b. Provider Domain Status: Approved
  - c. Default Configurations: Set globally
  - d. Tool Provider Key: enter the key provided in your LTI connection document
  - e. Tool Provider Secret: enter the secret provided in your LTI connection document
  - f. Tool Provider Custom Parameters: leave blank
  - g. Send User data: Send user data over SSL
  - h. User Fields to send Check the following:
    - i. Role in course
    - ii. Name
    - iii. Email address

#### 3. Click Submit

### ADD THE LTI LINK TO YOUR COURSE - OPTION 1

- 1. Navigate to your course
- 2. Click on the Add content button

#### 3. Select Create

- 4. Click on Teaching tools with LTI connection
  - a. Configuration URL: select https:// enter learn.eltngl.com/lti/v1/launch
  - b. Custom Parameters: isbn=isbn#for the book and level you are teaching. Refer to the isbns you were provided in the LTI connection document you were sent.
  - c. Select open in a new window

#### 5. Click Save

- 6. Click on the newly created LTI link and confirm your course launches in the NGL Online Practice platform.
- 7. Confirm your LMS course name matches the NGL Online Practice platform course.
- 8. Proceed to make assignments in the NGL Online Practice platform.

### ADD THE LTI LINK TO YOUR COURSE – OPTION 2

- 1. Navigate to your course
- 2. Click on the Add content button
- 3. Select Content Market
- 4. Select the Institution tool that matches the NGL content and level for your course.
- 5. Click on the newly created LTI link and confirm your course launches in the NGL Online Practice platform.
- 6. Confirm your LMS course name matches the NGL Online Practice platform course.
